

# A Plus D from Bootie Mashup

Pioneers of the bootleg mashup movement and creators of Bootie, the world's biggest bootleg mashup party

- Entering into their 10th year as **creators, producers, promoters, and resident DJs for the Bootie Mashup brand**, A Plus D are a well-oiled mashup machine.
- The duo play for huge crowds every weekend with an unparalleled collection of **100% genre-busting bootleg mashups**.
- Their own Bootie events in San Francisco, Los Angeles, New York City, and Seattle **draw thousands every weekend**, and their creative themes and amped-up energy always keep things fresh.
- As tireless mashup evangelists, A Plus D tour several times a year, and have brought their signature Bootie Mashup sound to **five different continents**.
- Nailing that sweet spot between up-and-coming chart hits and classic songs that hit the nostalgia button, **the dance floor becomes as mashed-up as the music**.
- A Plus D lead crowds into confetti explosions of mashup sing-alongs ... as well as a few **surprise live vocal mashups sung by Adrian!**
- For eight years in a row, A Plus D / Bootie have won such awards as **"Best Club Night," "Best Promoter," and "Best DJs"** from multiple media outlets.
- Their annual **"Best of Bootie" compilations** are internet sensations each year, and their monthly **Bootie Top 10** MP3 blog is anxiously downloaded not just by fans ... but by other DJs as well!

*"Vinyl-only DJs may sniff at this pair's hard drives, but A Plus D certainly know how to rock the party ... committedly unpretentious and ready to rock, they deliver the perfect remedy for the occasionally snooty, often staid dance scene." – SF Weekly*
